# Register for Import Advice

You must be 'Registered' to use the Import Advice section of the Napier Port website.

If you are already registered go to 'Log In' later in this document.

## To register for Import Advice:

Before registering as a new user ensure you:

- Have a User Name.
- Have a valid Company or generic email address.
  - *Our preference is that you provide a generic email address which is an email address used by multiple members of your staff and not an individual email address. This email address will/may be used for notifying information to your company.*
- A password.
- The company name you represent.
- (Optional) Your 'Position Title'.

## How to register:

1. Click on this link <http://www.napierport.co.nz/cargo-info/container-terminal/import-advice/>
2. Click on Register for Import Advice
3. In the User Name field input your user name.
4. In the E-mail field input your Company or generic email address.

**Important:** A generic email address is an email address used by multiple members of your staff and not an individual email address. This email address will/may be used for notifying information to your company.

5. Input your password in the Password field and confirm in the second field.
6. In the Company field drop down list navigate to your company name.

Note: If your company name is not in the list contact [VBSplanner@napierport.co.nz](mailto:VBSplanner@napierport.co.nz)

7. Optionally input your Position Title.

### Create a New Account

Use the form below to create a new account.  
Passwords are required to be a minimum of five characters in length.

User Name:\*

E-mail:\*

Password:\*

Confirm password:\*

Company:\*

Position:

8. Click on 'Create User' button.

*Note: If you have already registered with a matching user name or email address you will receive notification in red under each incorrect field.*

## Import Advice

### **Registration**

Registration is successful! Thank you for registering. Your application has been send to website admin for approval. Please go to the [login page](#).

## What's Next?

An email will be sent to Napier Port administration. You will be advised, using the email address you provided, if your registration was successful.

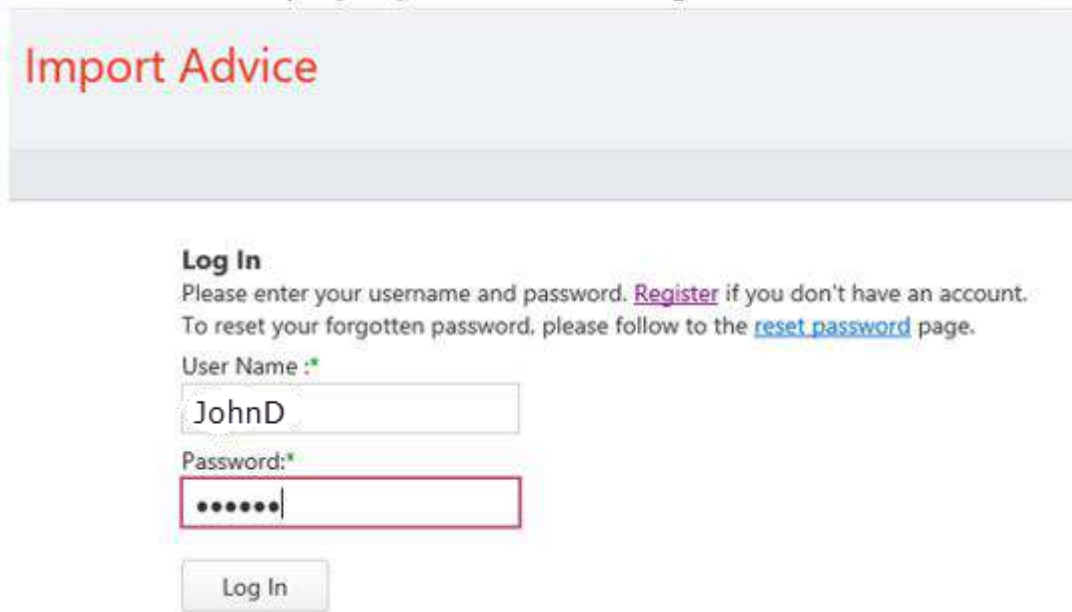

# Log In

## Before you log in:

- Ensure you are registered.
  - *Note: To Register go to 'Register for Import Advice' earlier in this document.*
- Navigate to the Napier Port website Import Advice section of the website.  
<http://www.napierport.co.nz/cargo-info/container-terminal/import-advice/>

## To log into Import Advice:

1. In the User Name field input your user name.
2. In the Password field input your password then click Log In button.

**Import Advice**

**Log In**  
Please enter your username and password. [Register](#) if you don't have an account.  
To reset your forgotten password, please follow to the [reset password](#) page.

User Name :\*

Password:\*

Log In

*Result: The Import Advice window will be displayed.*

3. Click the **Import Advice** button.

*Result: The Container List Entry form will be displayed.*

## What's Next?

If you wish to add new users go to **Add New Users** later in this document (page 18).

Once logged on the below screen will appear.

**Important:** The **Import Advice** is a 'Back Button' if you need to exit this screen

**4. On the right hand of the window there is a message advising 'Import Locked Vessels' do not input any containers into the 'Container List Entry' window for a vessel displaying in this section.**

*Note: This is because the 'opportunity' to assign your Block or Day groups has closed.*

**5. Are you wanting to create a Block Stack?**

*Note: A 'Block Stack' means 5 or more containers in the same stack and you are happy to pick up first available in the stack*

**If yes go to 'Creating a Block Group' later in this document**

**If no, go to 'What's Next?'**

## What's Next?

You must be creating a single day pickup so go to 'Creating a Single Day Pickup' later in this document.

# Creating a Block Stack

## Before you begin:

Before you begin ensure you have:

- A list of **5** or more containers

*Note: must be off the same Vessel and same size type (ie 40f or 20f)*

- None of the containers are on the Import lock vessels vessel.

*A block stack can only be created prior to discharge. Once in a 'Yard' location, container can only be assigned to a Day Stack.*

## To create a block stack:

1. In the **Step1 'Container List Entry'** window paste or type the container numbers for pickup.

*Note: Separate containers by either a comma sign, semicolon or a new line.*

2. In **Step2 'Booking Method'** click in the **Block Stack** checkbox

The screenshot shows the 'Import Advice' interface. On the left, the 'Container List Entry' section has a text input field with the following container numbers: CAIU2470350, MRKU7866109, PONU0616007, MSKU5025157, TRHU1956290, MSKU4021590, TCLU3580913, and TFMU5063835. Below this is the 'Booking Method' section with two radio buttons: 'Single Day Pickup' (unselected) and 'Block Stack' (selected). A 'Submit' button is at the bottom of this section. On the right, the 'Import Locked Vessels' table shows one entry: AGL048N, AGLAIA, 0485, Working. Below that is a search bar and a table of 'Advised Container Sta' with columns: User, Unit Nbr, Time In, ISO Code, Location, Shipping Line, and I/B Visit. The table contains several rows of test data.

3. **Step3** click **Submit**.

*Result: If successful the containers will appear with no exceptions.*

- Exceptions will be displayed under the **Stacking Groups** section
- The exception reasons should be self-explanatory. Example: Below TCLU7368918 has already been assigned to MON under trucking company TWT

**Exceptions**

Container ID	Reason	Trucking Comp
TCLU7368918	Container already assigned to MON	TWT

Page 1 of 1 (1 items) < 1 > Page size: 10

[Back To Main Page](#)

**4. If you are happy that all units will be Block Stacked, Click on the Submit button.**

**Day Stack Allowance Usage**

**8. Do you want to print the containers assigned to your trucking company?**

**If yes: Click 'Back To Main Page' then click on the 'Export To Excel' button.  
See process later in this document under 'Create List of Booked Containers' (page 17)**

*Note: Please quote 'Group Number' to the Napier Port Gate Staff.*

**If no: Go to What's Next?**

## What's Next?

If you wish to create another Block Stack click 'Back to Main Page' and start again from Step 1

# Create a Day Pickup

A day pick up consists of single container numbers to be collected on a day of the week. Monday – Saturday (unless closed or public holiday).

## Before you begin:

Before you begin ensure you have:

- A list of container/s.
- None of the containers are on the 'Import Locked Vessels'.

*Note: You cannot book a Day Pickup for the current day.*

## To create a day pickup:

1. In the 'Container List Entry' paste or type the container number/s.

*Note: Separate containers by either a comma sign, semicolon or a new line.*

2. The 'Booking Method' will automatically default to Single Day Pickup

								Wednesday

6. If you are happy with your selected day of pickup, click on the Submit button.

## What's Next?

If successful 'OK' will be displayed in the 'Response' column. For further information go to 'Holds' later in this document.

# New Feature of 'remove group'

A new feature of 'remove group' has been added to the dropdown box under 'Pickup Day/Group No'.

This allows the user to remove the group from a container in either a Day or Block stack and re-assigned to another group.

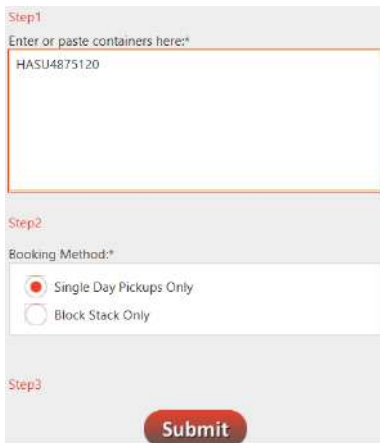

- If on an unlocked Vessel the container can be assigned to a Block or Day stack
- If in a 'Yard' location, container can only be assigned to a Day Stack.

## To 'remove group' or change collection Day:

### 1. In the 'Container List Entry' paste or type the container number/s.

Note: Separate containers by either a comma sign, semicolon or a new line.

### 2. The 'Booking Method' will automatically default to Single Day Pickup

Step1  
Enter or paste containers here:  
HASU4875120

Step2  
Booking Method:\*  
 Single Day Pickups Only  
 Block Stack Only

Step3  
**Submit**

### 3. Click 'Submit'

Result: The 'Stacking Groups' window will be displayed.

Note below unit is currently allocated to THU.

Stacking Groups									
Unit Nbr	Inbound Visit	Vessel ETA	Holds	VGM Weight	Hazardous	Size/Type	Stack Type	Consignee	Pickup Day/Group No
HASU4875120	SOS818N	12-Jun-18 0955	IIMPORT LINE	29740.0	NO	40 ft. DRY	DAY	AMFC	THU

### 4. Click in the grey area under Pickup Day/Group No, a dropdown box will appear, select the required Day or Remove Group

Unit Nbr	Inbound Visit	Vessel ETA	Holds	VGM Weight	Hazardous	Size/Type	Stack Type	Consignee	Pickup Day/Group No
HASU4875120	SOS818N	12-Jun-18 0955	IIMPORT LINE	29740.0	NO	40 ft. DRY	DAY	AMFC	Thursday

**Submit**

### 5. When the Day or Block Group is removed, a special group of "NGP" (No Group) will be assigned to the container.

Stacking Groups									
Unit Nbr	Inbound Visit	Vessel ETA	Holds	VGM Weight	Hazardous	Size/Type	Stack Type	Consignee	Pickup Day/Group No
HASU4875120	SOS818N	12-Jun-18 0955	IIMPORT LINE	29740.0	NO	40 ft. DRY	DAY	AMFC	NGP

6. **If the User does not re-assigned prior to Locked Vessel, the group of NGP will automatically be removed when the container is discharged.**

*This will allow user to book for a 'Day' pickup only once in a Yard location*

7. **With each day you select or deselect the Day Stack Allowance usage will decrease or increase.**

*See Day Stack Allowance Usage later in this document.*

### **Day Stack Allowance Usage**

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
10	10	8	3	5	6

**Note:** *if you wish to add units to an existing Block Stack, you must first select 'Remove Group' from the block stack container and re-select ALL units by following the process of 'Creating a Block Stack'.*

*This must be done prior to the Vessel being Locked.*

# Day Stack Allowance

1. Each operator has been given a daily allowance based on historical pickups.

Note: Block stacks do not affect the Day Stack Allowance

## Day Stack Allowance Usage

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
12	11	13	12	12	10

### Important Notice:

**Containers will not roll from one day to the other like they have in the past. Operators will have to change the 'Day of Pickup' ie from FRI to MON. This must be done prior to 1900 each day, after this time all Imports will be 'Locked out' and you will have to wait a further day to book, unless they are on a Vessel that is not locked.**

### To change a 'day of pickup':

2. In the 'Container List Entry' paste or type the container number/s.  
Note: Separate containers by either a comma sign, semicolon or a new line.
3. The 'Booking Method' will automatically default to Single Day Pickup

**Note: This container is not available for collection today.**

Slot Date	Zone	Booking Ref	Type	Slot Attribute	Status	Container	Haz Doc	Vsl/Voy	H
23/05/18	16	23160310			Cannot deliver unit, not a valid group for today. External Ref Nbr – 23160310				
23/05/18	16	23160310	Pick Up	Company	Confirm Facility Error	MRSU3981597 GEN			

- In this case, click on the Booking Ref and press  to clear the container details.

**7. Important Notice:**  
*Containers will not roll from one day to the other like they have in the past. Operators will have to change the 'Day of Pickup' in the Import Advice Portal ie from FRI to MON etc. This must be done prior to 1900 each day, after this time all Imports will be 'Locked out' and you will have to wait a further day to book, unless they are on a Vessel that is not locked.*

NOTE: When using Dummy numbers IMPORT 1-20, Gate staff will check your Import container has been booked in the Import Advice Portal for the current collection day before processing. If the VBS and Import Advice Portal days are different, your truck will be turned away.

# Hold

Before you begin take note of the type of holds displayed in the 'Holds' column.

- **!IMPORT MPI = MPI need to remove this hold contact the Napier MPI**
- **!IMPORTS CUSTOMS = Customs New Zealand need to remove this hold.**
- **!IMPORT LINE = The shipping line needs to remove the hold please contact the freight forwarder or the shipping line.**

# Create List of Booked Containers

Under Advised Container Status you can create a list of Import Advised Containers.

## Before you begin:

Before you begin;

- By clicking on the heading this will sort in order of preference ie Unit Nbr will sort by container number or Group will sort by Day or Group number ie R02

## To create a list of booked containers:

### 1. Click on Export to Excel

*Note: Click on open*

**Advised Container Status**

Unit Nbr	SO Code	Location	Shipping Line	I/B Visit	O/B Visit	S/L Supplied Weight	Holds	Group
CGMU4901139	4532	Ship	CGM	GEN_VESSEL	GEN_TRUCK			R02
CGMU4915826	4532	Ship	CGM	GEN_VESSEL	GEN_TRUCK			SAT
CGMU4940808	4532	Ship	CGM	GEN_VESSEL	GEN_TRUCK			R02
CGMU4974310	4532	Ship	CGM	GEN_VESSEL	GEN_TRUCK			R02
CGMU5089082	4532	Ship	CGM	GEN_VESSEL	GEN_TRUCK			R02
CGMU9308872	4532	Ship	CGM	GEN_VESSEL	GEN_TRUCK			R02
CGMU9321093	4532	Ship	CGM	GEN_VESSEL	GEN_TRUCK			R02

**Export To Excel**

# Add NEW Users

## Before you begin:

Before you begin;

- Click on the Home button
- Click on User Management

## To create a NEW user:

### 1. Click on New

### 2. The below screen will display.

### 3. Fill in the User Login Name, User Email, User Password and User Position details.

### 4. User Company with default to your company

### 5. Under Assign Apps, tick applicable Apps

*Note: By selecting 'ImportAdvice' you will be able to book Full Imports, and 'UserManagement' will allow that user to administrate your users*

The screenshot shows the 'Add New User' form. The fields are: User Login Name\* (MaryJ), User Email\* (MaryJ@dontknowtransport.co.nz), User Password\* (12345), User Position (Administrator), and User Company (Dummy Truck for Business Group TRUCK). The 'Assigned Apps' section has checkboxes for 'ImportAdvice' and 'UserManagement', both of which are checked. There are 'Update' and 'Cancel' buttons at the bottom right.

### 6. Click update to save and confirm user details

## What's Next?

If you wish to add another user click on NEW and follow the above process

# Import Advice Quick Guide

## Register:

To do this email [imports@napierport.co.nz](mailto:imports@napierport.co.nz)

## Log in:

To do this go to <http://www.napierport.co.nz/cargo-info/container-terminal/import-advice/>

## Block Stack (5 or more containers):

1. Check if vessel is closed under 'Import Locked Vessels'  
*Note: you cannot assign containers if the vessel is locked off.*
2. Copy and paste container numbers into 'Container List Entry' window
3. Select 'Block Stack' checkbox for Booking Method under Step 2
4. Press 'Submit' to retrieve a list showing you if there are any exceptions.
5. Delete any containers if you change your mind or click 'Submit'.
6. Take note of the 'Group Number' to give to your driver and email a list to the Gatehouse [westg@napierport.co.nz](mailto:westg@napierport.co.nz)
7. Click 'Back to Main Page' to either log out or do another 'Block Stack'.

## Day Pickup:

1. Check if vessel is closed under 'Import Locked Vessels'  
*Note: you cannot assign containers if the vessel is locked off.*
2. Copy and paste container numbers into 'Container List Entry' window.
3. 'Booking Method' will default to 'Single Day Pickup'
4. Press 'Submit' to retrieve a list showing you if there are any exceptions.
5. Delete any containers if you change your mind.
6. Click in the grey area for the drop down box to appear. Click on each container and pick the day to pick up.
7. Finished? Yes, click 'Submit'.
8. Take note of the 'Pickup Day' to give to your driver.
9. Click 'Back to Main Page' to either log out or do another 'Block Stack' or 'Single Day Pickup'
10. Log out.

# Import Advice FAQ

## Locked vessels

*Am I able to book Imports if the Vessel has been locked?*

- **NO**, unless the container has arrived in the YARD already

## Same day collections

*Can I collect a container on the same day as discharge?*

- **YES**, as long as it was booked prior to the Vessel being locked.

## Adding to groups

*Can I add Imports to an existing groups?*

- **NO**, but you can book the Import as a single pickup.

## Advancing pick up day

*Can I pick up a container earlier than the day it was booked?*

- **YES**, however not on the same day as discharge, you will need to contact the VBS Planner to amend the collect day **GROUP** ie Thursday to Wednesday. **ONLY** if unit is accesible

## Delaying pick up day

*Can I delay the pickup day?*

- **YES**, however Containers will not roll from one day to the other like they have in the past. Operators will have the ability to change the 'Day of Pickup' ie from FRI to MON. This must be done prior to 1900 each day, after this time all Imports will be blocked and you will have to wait a further day to book, unless they are on a Vessel that is not locked.

## Block stack requirements

*Do I have to pick all my block stack containers up on the same day?*

- **NO**, these containers will sit in the stack until they are all collected,
- see storage/demurrage link:  
<http://www.napierport.co.nz/shipping-info/tariff-1-october-2017/>

*What do I book in VBS for a block stack container?*

- You can either use IMPORT1 to 20 or the actual container number. Driver must provide the **GROUP** number to gate staff ie RO2
- Alternatively Gate staff will provide screen shot of the block stack so that you can book containers in VBS in the correct loadout order
