

NAPIER PORT COVID-19 PRECAUTIONS FOR SITE VISITORS

Do NOT come on site if:

- You have been outside NZ and haven't been isolated and symptom free for 14 days.
- You have signs and symptoms of the COVID-19 virus (ie fever at least 38°C, cough or shortness of breath).
- You think you may have been in contact with a person who has confirmed or suspected COVID-19 in the last 15 days?

Note - If you feel unwell with flu-like and respiratory symptoms (such as fever, cough, shortness of breath), please call **Healthline** on **0800 358 5453** or your GP for further advice and let your manager know you won't be coming into work.
